COMING SOON

Uniface Multifactor Authentication
22 November 2019

Jason Huggins
Director, Global Delivery & Education

Agenda

- MFA
- Let's see

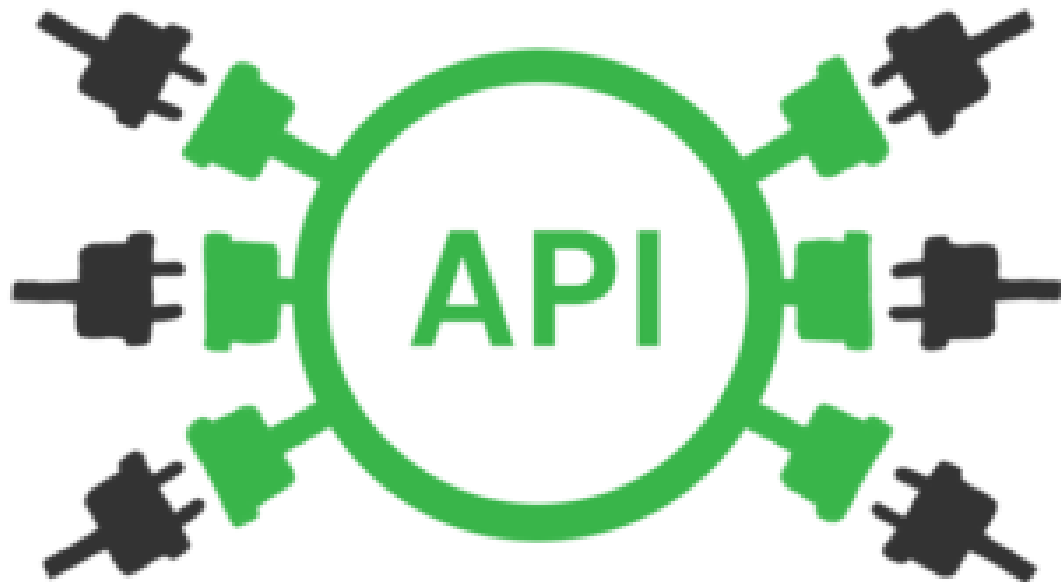

TWO-FACTOR AUTHENTICATION

Pick any two: Something you **KNOW**, something you **HAVE**, something you **ARE**

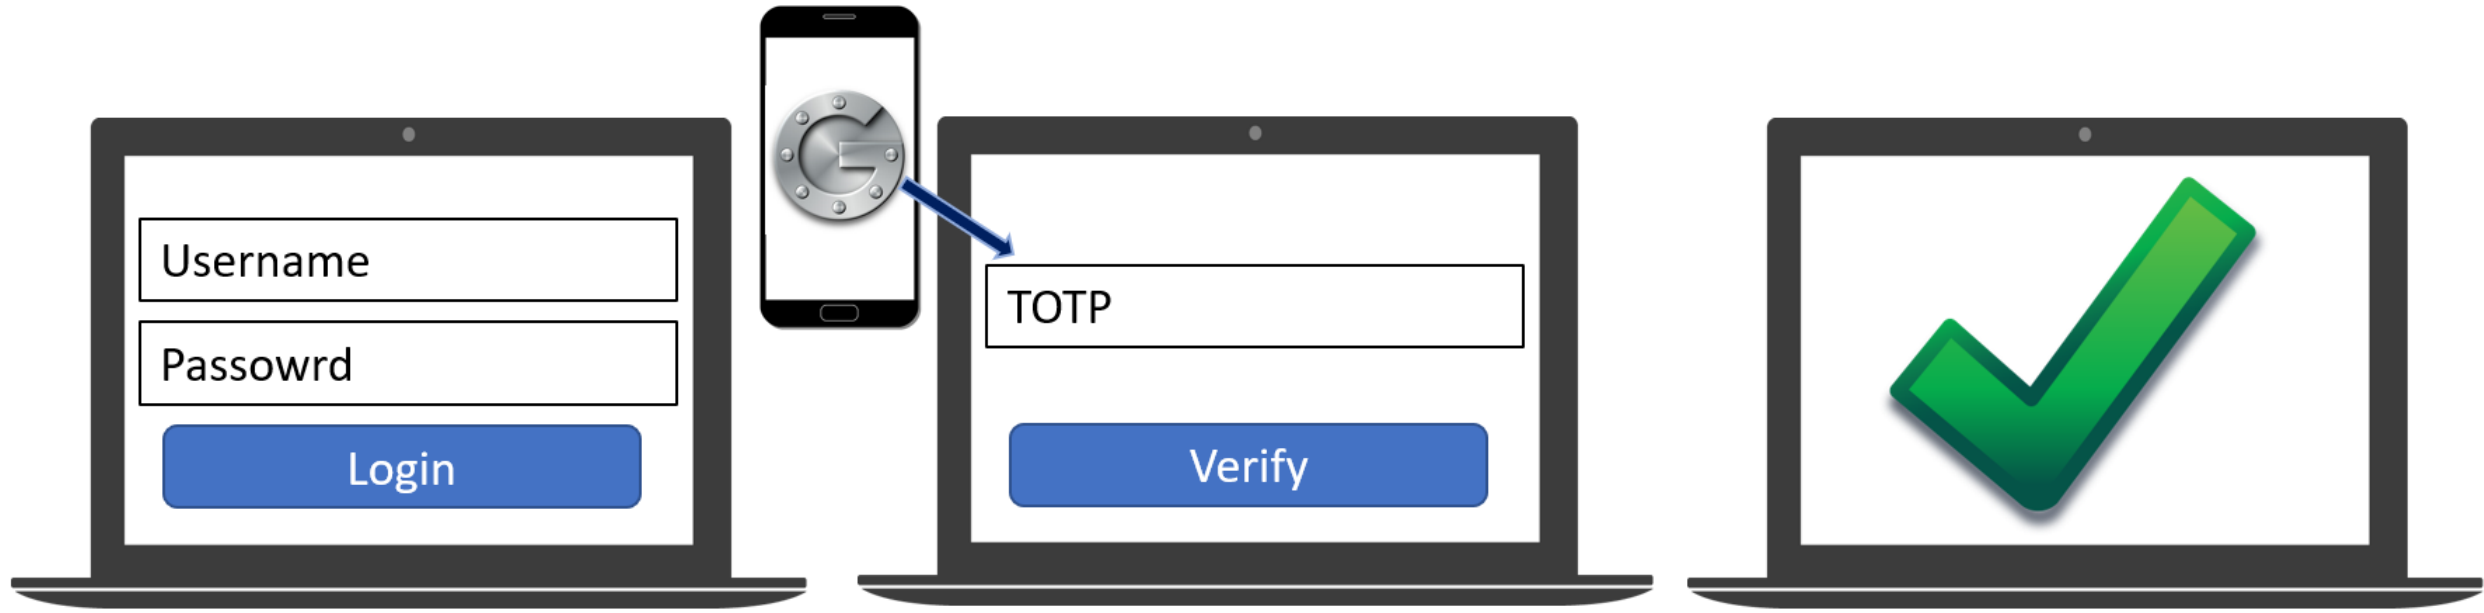

Multi-factor Authentication

- Something you **KNOW**
- Something you **ARE**
- Something you **HAVE**

Solution

- 2FA implementation
 - TOTP Time-Based One-Time Password
 - RFC 6238
 - <https://tools.ietf.org/html/rfc6238>
- Standard authenticators
- DLL wrapping open licences
- Simple uniface service

Let's see

UNIFACE
