[Traffic Factory] Reset password instructions Inbox x

 **Traffic Factory** do-not-reply@trafficfactory.biz via sendgrid.net
to me

Hello Traffic Factory!

Someone has requested a link to change your password, and you can do this through the link below which is only valid for 24 hours:

Change my password : <https://main.trafficfactory.biz/users/password/edit/a96593039f194b508ed02833caf9aa09>

If you didn't request this, please ignore this email.

Your password won't change until you access the link above and create a new one.

Regards,

The TrafficFactory Team
<http://trafficfactory.biz>

Fill the fields **"Password"** and **"Confirm password"** with your new password.

→ Your password **must contain 10 characters with at least 1 number, 1 lowercase letter, 2 different uppercase letters, and 1 special characters.**

→ Your password confirmation **must be the same as the first password entered in the previous field.**

Please make sure that your new password is different from the 3 previous passwords registered to your profile

Enter your new password below

- Must be different from the 3 previous passwords
- The two passwords must be the same.

Password

Confirm password

[Change](#) [Back to log in](#)

Once your new password is entered in the 2 fields, click on **"Change"**.

You have successfully changed your password, and you can now again access our platform here : https://main.trafficfactory.biz/users/sign_in

Password updated successfully! You will receive an email confirmation in a few minutes.
